

VVOB - Education for Development – Strategic Education Advisor School Leadership Uganda

Who are we?

VVOB – education for development is an international non-profit organisation with over 40 years' experience in strengthening the quality of education systems in Africa, Asia and South America in close partnership with ministries of education and their institutions. Our head office is based in Brussels, Belgium.

We implement our programmes and projects with one shared passion: to ensure the improvement of quality education. In striving for that ambition, we place our values 'commitment', 'integrity', 'respect', 'quality' and 'innovation' central.

Do you share our ambition to ensure that learners around the world can enjoy their fundamental human right to quality education, without exception? Are you convinced as well that quality education guarantees equal opportunities for everyone and is the key to a better world?

We are looking for a Strategic Education Advisor School Leadership, who will operate from our office in Kampala, Uganda.

Position in the organisation:

As a Strategic Education Advisor, you contribute to VVOB's ambition and our values by being the key person in a specific educational domain. You provide technical and strategic advice and guidance on this domain within and outside VVOB.

The Strategic Education Advisor reports to the Programmes Manager and is part of the Strategy Department. You work closely with the education and M&E/Research department in your country and the programmes team at the Global Office.

Result areas of this position:

1. You design and **develop relevant and scalable projects** in close collaboration with internal and external stakeholders within your country.
2. You provide **both short- and long-term strategic advice, information, and guidance** to VVOB and VVOB's partners on (a) specific educational domain(s) at the country level, in line with policy trends, new developments and the latest research and thinking in education and international development.
3. You take up a variety of roles in ensuring fidelity of program implementation, including **the capacity development process**, according to the needs, particular situations, and phases of the country programmes.
4. You create and manage **partnerships and strong networks** with relevant partners, institutions and organisations.
5. You contribute to internal and external **knowledge development and learning by systemising lessons**

learned and proactively sharing lessons learned between partners, colleagues and other VVOB country teams.
