

VVOB - Education for Development – Strategic Education Advisor School Leadership

Who are we?

VVOB – education for development is an international non-profit organisation with over 40 years' experience in strengthening the quality of education systems in Africa, Asia and South America in close partnership with ministries of education and their institutions. Our head office is based in Brussels, Belgium.

We implement our programmes and projects with one shared passion: to ensure the improvement of quality education. In striving for that ambition, we place our values 'commitment', 'integrity', 'respect', 'quality' and 'innovation' central.

Do you share our ambition to ensure that learners around the world can enjoy their fundamental human right to quality education, without exception? Are you convinced as well that quality education guarantees equal opportunities for everyone and is the key to a better world?

We are looking for a Strategic Education Advisor, School Leadership, who will operate from our Uganda Country Office in Kampala. Do you want to take on this challenge? Then continue reading!

Position in the organisation:

The Strategic Education Advisor, school leadership, provides technical and strategic advice and guidance on school leadership within VVOB's team and outside the organisation.

Furthermore, the Strategic Education Advisor on school leadership, in consultation with other consortium partners, sets out the lines for the scaling strategy of the programme, focusing on sustainability and ownership of government partners involved.

The Strategic Education Advisor reports to the Country Programmes Manager and works closely and directly with colleagues in the LIT programme, the education department, all other departments of VVOB in Uganda and with the ACSL in Kigali/Nairobi and the Global Strategic Education Advisors at head office.

Result areas of this position:

design and **develop relevant and scalable projects** in close collaboration with internal and external stakeholders.

provide **both short- and long-term strategic advice, information, and guidance** to VVOB and VVOB's partners on (a) specific educational domain(s), in line with policy trends, new developments and the latest research and thinking in education and international development.

take up a variety of roles in the **capacity development process** according to the needs, particular situations, and phases of the programme.

create and manage **partnerships and strong networks** with relevant partners, institutions and organizations.

contribute to internal and external **knowledge development and learning**, by systemizing lessons learned and

sharing pro-actively lessons learned between partners, colleagues and other VVOB country teams.
